

CLEANING INSTRUCTIONS

1. Routine Cleaning

Regular cleaning helps prevent the build-up of dust and debris.

Vacuuming

- Vacuum the sofa regularly using a soft upholstery attachment.
- Pay particular attention to seams, creases, and cushion edges where dust and crumbs may accumulate.

Surface Cleaning

- Light marks can be removed using a soft cloth lightly dampened with warm water.
- Avoid soaking the fabric.

2. Immediate Spill Treatment

Prompt action is important when dealing with spills.

- Blot the spill immediately using a clean, dry cloth or paper towel.
- Avoid rubbing the stain, as this may spread the liquid further into the fabric.
- If necessary, gently dab the area with a cloth lightly dampened with warm water and mild detergent.
- Blot the area again to remove excess moisture.
- Allow the area to air dry naturally.

3. Cleaning Common Household Stains

Always test cleaning solutions on a hidden area of the sofa first.

IMMEDIATELY DAMPEN THE STAIN WITH A CLEAN CLOTH USING WARM MILD SOAPY WATER RUBBING GENTLY TO REMOVE STAIN. ONCE DRY USE A SOFT BRUSH TO CLEAN AREA.

Blot immediately using absorbent cloths. Clean the area using warm water with mild detergent and allow to air dry.

4. General Cleaning Advice

- Always test cleaning products on an inconspicuous area first.
- Avoid bleach, harsh chemicals, or solvent cleaners unless recommended by a professional cleaner.
- Do not oversaturate the upholstery with water.
- Avoid using abrasive brushes or scrubbing pads.

For persistent stains or full cleaning, professional upholstery cleaning services are recommended.
